LIVING IN TRENTO

Trento, the capital of Trentino, with more than 100,000 inhabitants, is a university city and hosts advanced research centers, besides renowned and international cultural institutions.

The cultural and social life is enriched by many conferences, meetings, exhibitions, traditional costume festivals, typical markets, historical events, international festivals, theatrical, musical and dancing sessions. These events usually take place both in theatres and in the city centre.

Thanks to the wide range of cultural offers, the city of Trento is considered as an active centre, with a strong bond with the traditions at the same time. The different services thought for the citizens make Trento one of the centers in which it is most pleasant to live, if compared with other Italian cities.

Trento, because of its geographical position and its strong bond between man and mountain, is often described as an alpine city. The assortment of its scenery naturalistic beauties is worth to be discovered through mountain hikes, sport activities and itineraries to the castles, archeological sites, sanctuaries and to the beautiful Dolomites lakes.
